

ASHFAQUR RAHMAN

Address: 13/1 Shere Bangla Road, Khulna Sadar 9100, Khulna, Bangladesh

Phone: +8801791-549277 | Email: ashfaqurshanto08@gmail.com

LinkedIn: linkedin.com/in/ashfaqur-rahman-shanto/ | Website: ashfaqurrahman99.github.io

RESEARCH INTERESTS

Operations Research · Optimization Algorithms · Data-Driven Decision Making · Machine Learning · Mathematical Modeling · Data Science

EDUCATION

Khulna University of Engineering & Technology (KUET)

B.Sc. in Industrial and Production Engineering | CGPA: 3.23/4.00

Khulna, Bangladesh

Jan 2020 – Sep 2025

RESEARCH EXPERIENCE

Undergraduate Thesis

2025

Khulna University of Engineering & Technology

Supervisor: Md. Ismail Hossain

- **Title:** Analysis of Supply Chain Resilience Performance Degradation in Manufacturing Organizations of Bangladesh: A Study Using Dynamic Bayesian Network.
- Identified key resilience performance degradation factors and developed both Bayesian and Dynamic Bayesian models.
- Analyzed resilience performance degradation for four different time steps under disruption.

Undergraduate Project

2024

Khulna University of Engineering & Technology

Supervisor: Md. Ismail Hossain

- **Title:** Analysis of Supply Chain Resilience Performance Degradation and findout degradation parameters in RMG Manufacturing Organization: A Study using Bayesian Network.
- Identified supply chain resilience performance degradation parameters for manufacturing.
- Analyzed the performance degradation of supply chain resilience for a single ready-made garments manufacturing industry exclusively for the disruption state.

TECHNICAL SKILLS

Programming Language: Python, C

Optimization Software: CPLEX Studio, Tora

Design & Simulation Software: SolidWorks, AutoCAD, Fusion 360, Ansys, Creality 3D Print

Documentation and Presentation: Microsoft Office (Word, PowerPoint, Excel) , Microsoft Power BI, LaTeX

Machine Learning Framework: NumPy, Pandas

LINGUISTIC PROFICIENCY

- **English:** Fluent Working Proficiency
- **Bangla:** Native Language

EXTRA-CURRICULAR ACTIVITIES

IEM Robotics and CAD Club (IRCC)

04/2024 – 07/2025

President

- Led a team of 40 members to organize Technomize 1.0, a national tech fest with four different segments.
- Promoted the event to over 42 universities and nearly 16,000 students through a comprehensive marketing campaign.
- Conducted workshops and trained 50+ members on SolidWorks software.

IMechE KUET Student Chapter

05/2024 – 08/2025

Public Relation Officer

- Built and sustained relationships with external stakeholders, including sponsors and potential partners.
- Coordinated and promoted events, workshops, and seminars, enhancing the chapter's visibility and engagement.

Aboho (The Environmental Club of KUET)

05/2024 – 07/2025

Vice President

- Oversaw the successful execution of club initiatives, including tree planting drives and awareness seminars.
- Managed diverse teams for on-campus and community events.

LOOP (Control Engineering Club)

05/2024 – 07/2025

Public Relation and Media Officer

- Led the club's outreach and communication strategy, successfully driving engagement for technical events.
- Promoted Industrial Automation and PLC workshops through strategic media and social platform management.

ACHIEVEMENTS

- Finalist at Lean Sprint, Inter-University Business Case Competition, BUET IPE FIESTA 2023.
- Champion at "3rd Khulna Community Debate Tournament, 2021".
- Semi-finalist - HULT Prize KUET 2020, Campus Round.

TRAINING & CERTIFICATIONS

Industrial Training

Aug 5 – 11, 2023

BSRM Steels Limited Production Department (Melting-2)

- Completed health & safety training and learned about air pollution control and water treatment processes.
- Gained hands-on experience in billet manufacturing, scrap processing, and Induction Furnace (IF) operations.
- Learned about steel categories, mixing ratios, and Ladle Refining Furnace (LRF) processes.
- Gained insight into Continuous Casting Machine (CCM) operation, cooling mechanisms, and quality control.

Certified SolidWorks Associate (CSWA) || Dassault Systèmes

Credential ID: C-BP3TAXED8L (March 3, 2023)
